Accommodation

Located in the heart of Stockport, Castlewood Court is just a 10-minute walk from the town centre and close by to fantastic local bus and rail transport links. Castlewood Court will offer tenants safe city-centre style living with access to the building controlled via a secure fob entry system and CCTV.

The accommodation comprises 18 flats over 4 floors, with 3 ground floor flats and lift facilities throughout, giving various options for those who require level access and who have mobility needs.

In your apartment you will enjoy a stylish, open plan kitchen/dining and living space (white goods provided), along with a separate bedroom and modern bathroom.

All apartments will offer Tunstall 2-way warden control technology that is linked to the staff office, enabling daily wellbeing checks and immediate access to staff support in an emergency.

Our welcoming community space on the ground floor will offer you the chance to socialise with your neighbours, as well as providing a great community area where Making Space can deliver sessional and group activities designed to promote health and wellbeing.

Only a 10-minute walk from Stockport Town Centre

Care and support

Making Space has extensive experience in supporting people with learning disabilities, mental health conditions, long-term health conditions and physical disabilities.

We can offer flexible levels of support tailored to you – anything from a daily wellbeing check, to care and support a few hours per week or several hours per day.

We can support you with personal care, medication, daily living skills, social inclusion, paying bills and dealing with correspondence.

Tenants will also receive regular visits from Inclusion's local Housing Office to support you in maintaining your tenancy, and will also provide support with the tenancy sign-up process and housing benefit application process.
