

RIVACRE HOUSE

Rivacre House is a 12 person residential home located in Ellesmere Port. We provide person-centred care and support to people living with mental health conditions and learning disabilities, who are aged between 18 and 65.

HOW CAN WE SUPPORT YOU?

At Rivacre we are committed to providing person-centred care and support, always focusing on you as an individual. We will work with you to identify your strengths and weaknesses using The Recovery Star, a tool used to help us measure your progress. This will help us understand where you are now and where you wish to be.

From this, we will explore your short and long-term goals and work together to create a personalised support plan that suits you.

You will be allocated a key worker who will meet with you every month to discuss how close you are to your goals and what is or isn't working on your road to recovery.

We encourage you to develop your skills through a variety of activities. From work or volunteering, to attending college or other skills development courses. We value your choices and decisions and everything we do at Rivacre is done with dignity, respect and compassion.

FACILITIES

- Your own room which you can personalise to your own taste
- A communal lounge so everyone can get together to watch a film, listen to music or have a chat
- A variety of activities including pamper nights, cultural celebration nights, parties, film nights, card making, crafts, bingo, quizzes, BBQ's in the summer and much more.
